I remember all of the 4th of July parties at your house! my kids lovvvved to come to your house for the 4th! they knew they would get to run wild and see the best firework show in the neighborhood! I will miss hearing your voice on the other end of my phone just to talk until you would get tired of talking (I never get tired of talking..LOL) I could go on and on with memories but I have to leave room for everyone else!

“ Just a few memories I have of Melissa, to begin her giving me two amazing cousins. Her being my nurse when I was pregnant with Kaleb, always helping her with her papers for school, her love for pepper. The one year she was working at the OU store and we all got some good OU stuff that year 😊 her love for OU football. Having 4th of July together. Her always calling me to get my "butt" over when she was bored. Going to the movies. Calling me Samma Lynn & just being someone who I could always go to during some hard times of my life and I'll forever be thankful for that. My heart hurts that she is gone but I'm happy she is at peace and can finally heal. She is now hugging her mom and watching over her babies. I hope you're dancing up in the sky! Xxoo love always Samma Lynn
