“ My family and I were very sorry to hear about Norma. One of our memories of Nanny was a time when she invited Jason and Curtis to an OSU football game in Stillwater. We dropped an eager little boy off early that morning. After we left Jason learned that Curtis would not be going to the game. He told Nanny he would just walk back home. She asked him if he wanted to go to the game, of course he said, "YES!" So they loaded up in the car and left Okemah to attend the game. When Jason came home he told us all about the game. He said it was just Nanny and me. It meant so much to us that she made a special memory for our son.

Sincerely,  
Judge David and Debbie Martin
